- ✓ ASTM F2413

MADE WITH THE AUSSIE TRADIE IN MIND.

The 260 is a classic work boot and one of our best sellers. Unlike our ZipSider boots, the 260 has a traditional lace-only aesthetic – a timeless style. The tightness of the lace controls movement and comfort, offering a customised and perfect fit. This boot includes all the fundamental features of our safety boots: premium leather and the Airzone® Comfort System, so whether you're working in construction, agriculture, warehouse, or general trades, the 260 is a boot that delivers.
