MADE WITH THE AUSSIE TRADIE IN MIND.

With increased coverage and a tough scuff cap, the 451 knows how to protect. The OrthoTec Air footbed includes interconnected air holes to increase air circulation, designed to keep you cool regardless of the conditions. This boot's TPU/PU ToughSider® sole and electrical hazard resistance makes it ideal for construction, general trades, or any job where you need a durable and reliable boot. The YKK zipper makes it easy to get on and off. Like a trusted mate, this boot will see you through it all.
