## A MONGREL YOU CAN RELY ON FOR ALL OCCASIONS.

The 805 is crafted with top notch full grain leather and is a timeless must-have among riders who appreciate quality equipment. We understand riding boots require durability due to the beating they receive in stirrups or on pegs, which is why we have included a rigid instep shank to increase boot strength and integrity.

This is a boot you will want to continue walking in after your ride, as its comfortable soft cushion sole provides all-day comfort.
